President's Message

Phil Hublitz
President, Ptarmigan Ski Club

Spring into Summer...
A bit too fast unfortunately.

The Spring Banquet at Green Pond Country Club was a wonderful success with great food and music by the dynamic duo of Mike Peters and Johnny O: Greystone.

Mary Ann won the MVP (Most Valuable Ptarmigan) award for six years of due diligence as our President, well deserved. As soon as the ice was broken nearly everyone was on the dance floor including Barry West dragging his oxygen tank. The dancing continued until the Greystone "Boys" called it quits.

You must have put your skis away by now. Golf has already started unofficially, many of us will be playing for the third time tomorrow. Tom is looking for golfers to help coordinate golf outings throughout the season, volunteer if you have the time. Joyce continues with the music scene whether you just want to listen or dance, it will be a busy season at the Steel Stacks, Levitt Pavilion, Blue Mountain, the Molten Lounge and wherever the sound takes us. Last week we did some Karaoke at Welihan's Pub with great performances by Rob Metter & Jim Policelli. We have brought back an event, the Spring Hike on the Saucon Valley Rail Trail, graciously hosted by Carolyn & Harvey this Friday, don't miss it.

There have been several changes in the BOD. Stepping down after many years of service are Barb Stephens as Secretary and Brian Nuss has put the Ski Expos on hold.. Replacing Barb is Gwen White and Lisa Rufo has been added to the BOD.

Less than a month away is Ortner's Spring Fling usually followed by a bonfire as the sun sets. Don't forget that "Between the Covers" group continues to read books and meet at either Mary or Ronnie's place (the pool will be open sometime this summer). Joyce's Bike Ride is scheduled for late in June. It is not too early to consider the ski trips for next year, Brian will go to Jackson Hole in 2019, where will others take us? Last but not least are the weekly HHs at great bars around the valley. We hope to add some new venues this summer, variety is the spice of life. We never seem to get enough of each other, how lucky we are...

2018/2019 Ski Season – Trips:

Many Trips are in the planning phase - Here's some tentative plans:

Caterine Chrapacz is planning on the last week of January (25th or 26th to Feb 3rd or 4th to Grindewald, Switz or perhaps Val d'Iserre, France (leaning towards Grindelwald).

Brian Nuss is doing Jackson Hole, Wy Feb 23rd to Mar 2nd.

Mark Beachle is getting info on ten different locations and will narrow the list down.

Editor's Note: Ptarmigan Ski Club requires all trips to have a written cancellation policy - Please read the trip flyers for details and cancellation policy. All Flyers are available on our Web Site: <http://ptarmiganskiclub.org/Trips.html>

Ptarmigan Special Happy Hour May 26th

Join Ptarmigans for a special Happy Hour at Blue Mt. Slopeside Grill on Sat., May 26, to listen and dance to Greystone Band from 6-9. Weather permitting, we will be outside to enjoy the view and the fire pits. In case of rain, we will be inside. Come have dinner, dance, and hang out with your friends for a fun evening!

For more info, contact Joyce Gilmore at mindycat36@yahoo.com or 610-683-6593. I will be arriving around 5:30.

Bike Ride Saturday, June 23rd

Time: 9:30

Place: D & R rail trail - Frenchtown, N.J. to Stockton, N.J. - 25 miles

Rain Date: Sunday, June 24, 2018

Contact: Joyce Gilmore mindycat36@yahoo.com or 610-683-6593 cell: 610-741-8943

Meet at the Bridge Cafe, 8 Bridge St., Frenchtown, N.J., ready to ride at 9:30. The Bridge Cafe is on the right after crossing the bridge to Frenchtown. You can take the first right immediately after the bridge and park in that lot. Come early and enjoy a breakfast if you like. The food is excellent! We will bike 12 1/2 miles to Stockton, probably stopping at Bull's Island (about 8 miles from Frenchtown) for a bathroom break and photos. At Stockton we will have lunch at picnic tables by a deli right on the trail. You can bring your own lunch or get food at the deli. There are also restaurants in Stockton -- Lilly's Meals or The Stockton Inn. Then we will bike back to Frenchtown and have ice cream, a snack, or liquid refreshment there. Frenchtown (where I grew up) is a charming little town to explore. Everyone is free to bike at their own speed. This is not a race, just an enjoyable, easy paced bike ride. The trail is scenic, shaded, and parallels the Delaware River. If you want to ride a shorter distance, you could meet us at Bull's Island. If you would like a longer ride, continue on from Stockton. The trail goes all the way to Princeton. Hope you can come! It should be a fun day!

PSC Closing of Blue Mountain Tailgate Party April 8, 2018

Recap by Mary Ann Bedics

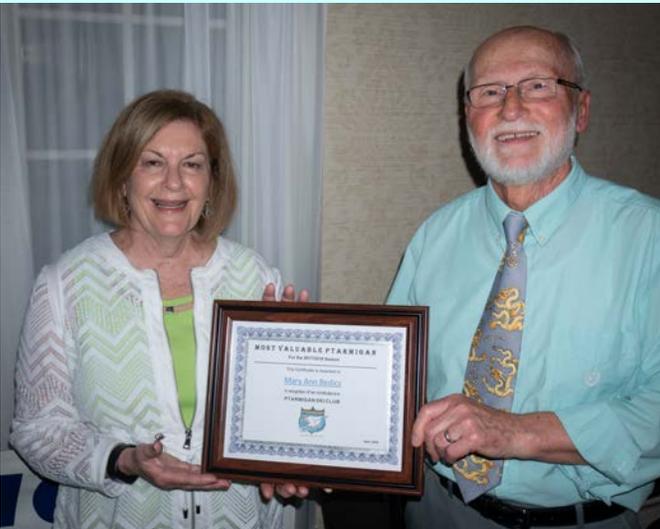

It was a cold and windy Sunday but, as always, almost 50 hearty Ptarmigans showed up for this annual event. There was plenty to eat and drink, lots of socializing and reminiscing about the past ski season. Hoping to extend the ski season many folks were still planning to ski up north, Canada, and out west. It seems that at each ski club event the food gets more creative: ribs, shrimp, pasta pesto, strudel, meatballs, and, of course, the traditional fare was abundant. Check out the photos. Everyone was dressed for the weather and the smiles are a tell-all that everyone had a great time.

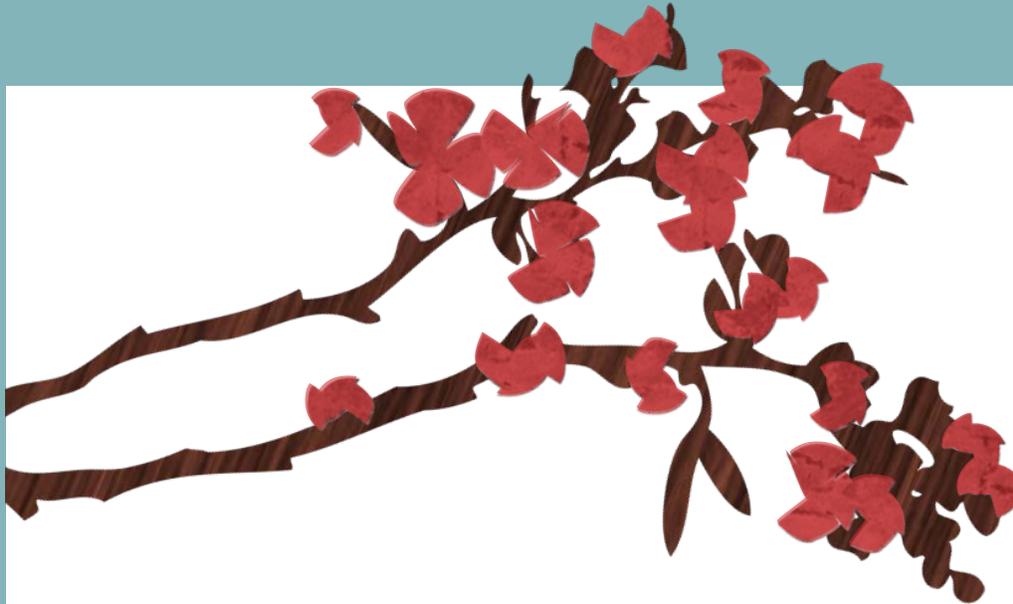

Spring Banquet Apr 28th at Green Pond

Mary Ann Bedics, very deservedly, receives the MVP Award from our new President Phil Hublitz.

While afterwards, others dance up a storm.

Ptarmigan Ski Club Officers and Board Members 2018/2019

Officers

Phil Hublitz - President:

Elected President at the March general meeting, he is our official go-to tech person. Phil puts together a "Year in Review" presentation each season highlighting all of the ski club's activities, events, and ski trips with photos and videos supplied by you, the members. He will continue performing this task. Phil is an avid skier, golfer, fly fisher, traveler, reader and enjoys all kinds of musical activities. He can found at most Ptarmigan events and joins fellow Ptarmigans at Blue MT and on ski trips each year in the US and Europe.

Jeanne Weiser – Vice President, Skiing:

Jeanne's first love is skiing. (Sorry, Tom.) She is the official "air guitar" player of the PSC and the 2015 MVP recipient.

Recycling is a priority and she always volunteers to be on the clean-up crew after our events. Small but mighty, you don't mess

with Jeanne--recycle or else!

Kathy Seufert - Treasurer:

A 2016 MVP, Kathy keeps the club finances balanced to the penny. All checks for our events are processed through her, sometimes as many as 60 checks per event. Kathy has helped to plan banquets, helps with clean up and set up for events, picnics, and fests. She

can be seen playing volleyball on Tuesday nights at the Rose Garden. She hosts the annual soup and hike party and hosted a special happy hour in February as an excuse to use the left over pizza from the Blue Mountain party!

Gwen White - Recording Secretary:

Gwen is one of the new Board members. She has signed up to take Barb Steven's place, a hard act to follow after 12 years. On ski trips, if you can't find her on the downhill, you can find her cross-country skiing, hiking, or enjoying pastries at as little coffee shop in

Ischgl. She looks forward to becoming Recording Secretary.

Mary Laronge – Membership Secretary:

A member since 1973, Mary has held many positions in the ski club. As membership secretary she processes all new and renewal applications, almost 150-200 per year. All members have their information entered into a data base and are sent membership cards (only if a SASE is included with the application).

Mary likes to plan and organize. An avid golfer she has organized an overnight golf trip and plans to do so again in. A new event, the Clam Bake, last September was Mary's idea. She has planned Road Rallies and banquets.

Along with Ronnie Rother, they founded the PSC Book Club, Between The Covers, in 2015. It has been very successful and well attended

Board Members

Mary Ann Bedics – Past President:

Skiing has been a big part of her life since the late 1970's. She took lessons, mostly skied with friends, joined the ski patrol at Camelback, chaperoned the Phillipsburg High School ski club, and took mini ski trips. It was not until she retired in 2007 and joined the Ptarmigan Ski Club that skiing became even more important in her life. She knew right from that first Spring Fling she attended at Bill Ortner's that She wanted to become involved with this fine group. A decade later she has board member, treasurer and president to add to her resume!

Serving as the president of the Ptarmigan Ski Club for the past six years has certainly been a highlight of my life. Thank you for giving me the opportunity to lead this vibrant, seventy-one year old club.

As the newest past president I look forward to continue serving on the board.

Bill Ortner – Board Member and Newsletter Editor

MVP in 2013 and a former president, Bill's list of contributions to the PSC include hosting the Spring Fling, Oktoberfest, spontaneous happy hours at his homestead which include a bonfire, publishing the Newsletter, updating the membership data base, Friday

Happy Hours and a many other things. How does he manage it all? Well, if you know Bill it is not a surprise that he has the energy along with his love of the club that he gets it all done. Bill is a very special person to share his home with us and we are fortunate to have him as a friend.

Joyce Gilmore – Board Member:

Since retiring from Moravian Academy, she has been lovin' her retirement! Skiing, biking, and dancing are some of her favorite activities, and she really likes organizing group ski days at Blue Mt., bike rides, and music events for the club. She also enjoys reading, cooking, snowshoeing, cross country skiing, and her cats. She feels privileged to belong to Ptarmigan Ski Club and be able to hang out with so many

active, fun loving people!

Ronnie Rother – Board Member:

Many of us wonder if Ronnis ever sleeps. She is so busy with humanitarian pursuits such as Habitat for Humanity and Mary's Shelter.

Ronnie started the book club with Mary Laronge in 2015 and has hosted several

meetings. She is a great entertainer, baker and chef. She hosts the Eve/Eve party, post-ski trip parties, and swim parties. Being in her backyard is like being at a first class resort with the gorgeous landscaping, pool and hot tub. (No Speedos allowed!)

Ronnie is working with Bill Ortner and Phil Hublitz on updating the club's website.

Tim White – Board Member:

A board member since 2013, Tim has assumed the role of the Movie part of the Sub/Movie night program. He has a huge library of ski DVD's and his choices of movies are very well

received. Tim has a great story to tell about his experience in Zermatt, Switzerland, when he almost could not get back to Zermatt from Cervinia when the lifts broke down and shut down for the night! He and his ski (snowboard) buddy had to walk up the mountain, partially in the dark, to get back to Zermatt. Scary! But Tim took it all in his stride.

Joe Reilly - Board Member:

Joe joined the board last year and is a bit of a celebrity. As an FBI agent, his capture of a Soviet spy got him a segment on 60 minutes in 2015. Since then, the "spy" has written a memoir and Joe wrote the afterword. Just recently Joe was interviewed on WFMZ regarding the firing of FBI director James Comey.

Joe has already brought some new and fresh ideas to the board meetings. We are delighted to have Joe join us on the board. (He actually volunteered, no waterboarding required.)

Lisa Rufo – Board Member:

Lisa joined the ski club in 1991 and has been an avid skier since 5th grade. She has skied in North and South America, Asia and Europe. This summer she will head to Chile to ski in the Andes again along with sight seeing. Having been a Spanish and

English as a Second Language teacher she loves anything with cultural flair. The majority of her travels in the past 4 years happened to be to foreign countries. Three years ago she lived in Spain for a month which brought back many good memories of studying there in college. Other interests include yoga, many forms of dancing with folk dancing being the favorite, aqua aerobics, some golfing, and multiple times of hosting a lovely girl from Kyrgyzstan. Lisa was the recording secretary for the club before Barb's long term service and looks forward to being more involved with the club.

ISCHGL, AUSTRIA
January 26 – February 4, 2018
By Catherine Chrapacz

Ischgl, Austria is, as been quoted, the International Best Kept Secret (IBKS). Ischgl resort is located on the Austrian-Swiss border and has the Tyrolean-style charm I love. The Austrian Tyrolean food is wonderful as well as their great spirited people and culture.

The Rhaetians, who settled in the area about 1,000 years ago gave this village the name “Ischia” which means “island”. Ischgl is located in the Paznauntal valley and surrounded by the Silvretta and Samnaun mountains. The Silvretta area in Ischgl has 148 miles of groomed skiing trails, 45 state of the art cable cars and lifts, 1,100 snow machines, 93,800 people/hour ski in Ischgl and the longest trail is 6.8 miles. Ischgl is one of the few ski resorts in Austria that offers 11 black pistes.

The Smuggler’s Run Silver (SRS) is a ski route which includes black and red runs in the Silvretta Arena. This ski run takes you from the Austrian side of the border into Switzerland. The Smuggler’s Run Silver takes you about 3.5 hours to complete. The SRS takes you to the village of Samnaun, which has Swiss duty-free shops. Everyone enjoyed skiing into Switzerland and eating lunch at wonderful Swiss restaurants mountainside or in the village.

Hotel Antony, a 4-Star hotel was beautiful and appealing. The hotel had a spa area with Finnish and bio-saunas, infrared sauna cabin, brine and herbal steam and foot baths. Hotel Antony offered a plentiful breakfast menu and the 5-course dinner daily which was fabulous. The hotel was not centrally located to the village. There was a short walk to the Dorf Tunnel that has a moving stair way connecting the two sides of Ischgl. This area has access to the ski lifts, shops, restaurants, Après’ bars and locker rooms to store your skis for the week.

We had wonderful skiing conditions and blue skies every day, except for one day of white-out conditions. On that day, a few of the “regulars”, stopped skiing at lunchtime and took a three hour fine dining experience. The restaurant was at the top of the Idalp Lift, at Restaurant Alpenhaus in the VIP Lounge. The menu included Beef Carpaccio, Goose Liver and an excess of other fine dishes, adult beverages of Cognac, Grand Marnier and bottle(s) of fine wine. The “boys” did not have to ski back down the mountain, which was good. They only had to take the gondola down. I wish I would have joined that group for that fine luncheon experience mountainside. Bill, Phil, Carl and Tony know how to enjoy the good life!

Ischgl’s Ski Resort in Austria was accessible to a variety of one-day excursions. One group went to Neuschwanstien Castle which is located in the Bavarian area of Germany. The bus ride was approximately an hour. On the way to the Castle, we stopped at Highline 179 which is the longest suspension bridge in the world. This bridge was listed in the Guinness Book of World records as the longest Tibet-style pedestrian suspension bridge, with a length of 406 metres or .25 mile. Everyone that walked the bridge had an incredible view.

The Neuschwanstien Castle was planned by King Ludwig II, King of Bavaria. The castle is a symbol of Romantic period and listed as an UNESCO World Heritage site. The castle has a rich history and worth the visit. King Ludwig died before the completion of the castle. The Neuschwanstien Castle has inspired many artists, like Andy Warhol and Walt Disney. The Neuschwanstien Castle inspired Walt Disney in the design of the Sleeping Beauty Castle. The guided tour was wonderful with a lot of walking up and down the castle steps to part of 200 different rooms. On the way back to Ischgl, we stopped in the town of Fussen, Germany and walked to a wonderful restaurant and ate traditional soup with pancakes, meat and potato dumplings. What a wonderful delightful town.

Another group of skiers went to Garmish, Germany organized by Mike F. which took 2 hours by taxi. Mike was a ski instructor there for 8 years and recently renewed his Austrian ski certifications in Garmisch, Germany. Garmisch-Partenkirchen is a famous Germany ski resort and hosts annual World Ski Competitions. Actually, our group had a glimpse of Lindsey Vonn and took pictures of her while they were there. Mike’s friend, Pete, a U.S. citizen, is a ski instructor in Garmish for the U.S. Military Base. Pete also currently lives in Germany. They both gave a personal ski tour of the Garmish Ski Mountain. Everyone enjoyed the day in Garmish, especially Jim, Barb and Phil who are ski instructors in Vermont. Thanks Mike & Pete for your hospitality.

We also had an evening of tobogganing down the Silvrettabahn. The toboggan run is about 4.5 miles long which is the longest toboggan route in the Alps. The night time toboggan run started at 7:00 p.m. and was brightly illuminated. Tobogganing requires you to shift your weight, use your heels and brake quickly before picking up speed, which caused many to think it wasn't as easy as it looked. Everyone had a great time. Thanks Meg for taking the lead with this evening event.

On the second last day in Ischgl, Mike went out and bought 28 T-shirts for everybody with "Ischgl 2018." The Ischgl logo is a cool design and now we all took home the same souvenir. We took a group picture with the T-shirt. We thank Mike F. again.

The last night was in Zurich which was a great town for shopping, walking along the lake and having dinner in Switzerland. We also had extra time Sunday to go to church and have lunch before our departure from Switzerland.

Ischgl Ski Resort is definitely a location that Europeans love and return back many times. We also loved it. But what makes a great trip besides a great location, hotel, food, and ski conditions is the wonderful mix of new and regular travelers that made this 2018 Ischgl Ski Trip more pleasurable and memorable.
