

# JACKSON HOLE

Join the fun, see the sights, and experience Jackson Hole Mountain Resort

# MARCH 2 - 9, 2019

**JACKSON HOLE MOUNTAIN RESORT** is frequently rated tops in North America by the major ski magazines and other pundits; it combines world class terrain with ultra-convenient slopeside luxury, gorgeous natural scenery, and the wonderful Western town of Jackson. The mountain itself has aggressively added more intermediate terrain, grooming and better lifts, and while overshadowed by its fierce steeps and chutes, it has always been a great place to learn to ski or ride, with one of the nation's best ski schools. And now, the ski scene is better than ever with Teton Village's new Sweetwater gondola which was built between the Bridger Gondola and Teewinot chairlift. Family-owned Jackson Hole Mountain Resort transformed its Casper Bowl area into intermediate-friendly terrain and introduced technology to speed up getting on the slopes. In the same period, slopeside Teton Village has been revolutionized and emerged as one of the nation's premier luxury ski-in/out enclaves. Many new restaurants have opened, and Jackson is incredibly diverse for both skiing and hospitality, with lots of additional choices in town (located via shuttle bus ride 15-20 minutes away).

For most ski resorts, having a truly epic mountain, prodigious annual snowfall and a classic ski town would be enough, but Jackson brings even more to the table. It is surprisingly easy to get to, landing full-sized commercial jets from several major airlines at its convenient nearby airport. And, more importantly, it has a unique slate of non-skiing or alternative skiing activities, thanks in large part to the fact that it is surrounded by both Yellowstone and Grand Teton National Parks. This offers an array of tours by sno-coach, snowshoe, snowmobile, cross country or backcountry skiing, plus ice climbing, sleigh rides in the National Elk Refuge, museums, cat-skiing, heli-skiing and much more. At the same time, you can't throw a rock around these parts without hitting a first-rate luxury spa.

**Whether you are skiing hard or hardly skiing, chances are you will love Jackson Hole.**
